**In 100 words or less, what is your goal for evolution through membership in the DRC?**

---

**You're running along the beach and see Svenga, you:**

- Focus on your footing and pick up the pace
- Invite her along to improve her oxygen lung transfer rate
- Give thanks to the good Lord
- Feign a seizure to gain her attention

**When running a race, it's critical that I (choose one)?**

- Beat my PR
- Look good
- Beat the fat guy next to me.
- Hallucinate
- Stay behind Svenga

**Please define the first of many "evolutionary" mishaps?**

**Person to notify in case you should fail to see a car, bus or other motorized vehicle, drink too much or to little, or hook up with a floozy and miss your transportation home?**
